

Tips for developers – Apps and intellectual property

Your app and the user

Consider the legal rules regarding data processing and privacy: inform your users about this.

Make users of your app sign (tick) 'terms of use'.

Intellectual property

If you are a developer, it is important to protect your intellectual property adequately. Otherwise, your competitors could copy your ideas, designs or trademarks.

About BOIP

The Benelux Office for Intellectual Property (BOIP) is the official body for the registration of trademarks, designs and drawings in the Benelux. In addition, BOIP offers the possibility of recording the existence of ideas, concepts, designs, prototypes, etc. in the i-DEPOT.
