

Submitting paper images

30 November 2017

1. Designs

1. The photographic image of the appearance of the product, as mentioned in rule 2.1, sub b of the Implementing Regulation, shall be a clear and contrast full picture in which the product has been photographed against a neutral background.
2. The graphical image of the appearance of the product, as mentioned in rule 2.1, sub b of the Implementing Regulation, shall be a clear reprographic imprint of the line drawing of the appearance of the product. The line drawing should be executed in black.
3. The images shall be photographic or graphic representations, printed on rectangular mat paper, of professional quality; all the features of the product should be clear and distinguishable. Their height and width shall be at least 4X4 cm and may at most be 16X24 cm.
4. At least one of the images shall depict the product overall. Each image may contain only one view and may not contain any text, except for short indications concerning the viewing angle of the depiction of the product.
5. BOIP may demand extra images at any time.
